

National Sports Center for the Disabled Hosts 15th Consecutive Hal O'Leary Golf Classic presented by RE/MAX

Tournament will take place at the Sanctuary Golf Course in Sedalia

DENVER - July 7, 2016 – The National Sports Center for the Disabled (NSCD) will host their 15th consecutive Hal O'Leary Golf Classic presented by RE/MAX on Wednesday, July 27, 2016 at the exclusive Sanctuary Golf Course in Sedalia, Colo.

The Hal O'Leary Golf Classic presented by RE/MAX raises important funds to support the NSCD throughout the year. From the generous support of Dave and Gail Liniger, founders of RE/MAX and owners of the Sanctuary, the NSCD has raised \$500,000 over the last 10 years. The tournament features a modified scramble format, amazing prizes, incredible setting, good company and an experience participants will never forget.

The NSCD is recognized around the world as a premier therapeutic recreation organization, providing leadership and expertise in adaptive sports. Each year, more than 3,000 children and adults with disabilities participate in NSCD programs to learn more about sports and themselves. With specially trained staff and volunteers, and its own adaptive equipment lab, the NSCD teaches a variety of year-round sports and activities to individuals with almost any physical, cognitive, emotional or behavioral diagnosis. All programs are designed for individuals, families and groups and are available for all levels of ability, from beginner to advanced. Proceeds from this tournament enable the NSCD to continue these programs and enrich the lives of their participants.

Sanctuary Golf Course is known for its elevated tees, towering pines and 180-degree mountain views of both Pikes Peak and Longs Peak. With five sets of tees at every hole, every level of player is invited to participate. Sanctuary was created as a place of refuge, preservation and nourishment – not just for wildlife, flora and fauna, but for service organizations committed to developing unique relationships with those who support their efforts to improve the community.

About NSCD

The National Sports Center for the Disabled (NSCD) began in 1970 as a one-time ski lesson for children with amputations for Children's Hospital Colorado. Today, the NSCD is one of the largest outdoor therapeutic recreation agencies in the world. Each year, thousands of children and adults with disabilities take to the ski slopes, mountain trails and playing fields to learn more about sports and themselves. With specially trained staff and its own adaptive equipment lab, the NSCD teaches a variety of winter and summer sports and activities to individuals with almost any physical, cognitive, emotional, or behavioral diagnosis. For more information about the NSCD visit <http://nscd.org/> or like us on [Facebook](#) for updates about our programs and athletes.
